

The Society for the Prevention
of Cruelty to Animals

Hello All,

I volunteer for the SPCA of Northern Nevada, this is an extremely important cause to me and I would appreciate your participation if you are able.

Our McCarran office is doing a Paws for Pets fundraiser for the SPCA of Northern Nevada through March 11th! This fundraiser is a part of the SPCA's 3rd Annual Pledges for Pets Telethon being held March 11th on My21 from 4-8pm.

This is the second largest SPCA event of the year! **The top 3 businesses that raise the most money by March 7th will get free advertising during this 4-hour television event while also helping tremendously with aide and shelter to thousands of homeless animals in our community.** This event helps to raise awareness of the SPCA of Northern Nevada and the funds needed to continue achieving our mission of rescuing at-risk animals.

Please consider donating in any amount that you feel comfortable with at our office: 6512 S. McCarran Blvd. Ste. A and you will have your donation card posted at our front desk. The homeless animals in our community need help, and anything you can contribute would be phenomenal!!

Whether or not you are able to donate, please tune into the SPCA Annual Telethon on My21 March 11th, 2012 from 4-8pm. The purpose of the telethon is to educate a local TV audience over the course of a 4-hour event about what the SPCA of Northern Nevada provides to our community. Our unique programs, happy tales and adoptable animals will all be featured during the event. We are asking all participating businesses to also display a poster and information about the telethon. The more people that tune in, the more lives we will save!

Thank you and please let me know if you have any questions! :)

Sincerely,

Anita Dombovari
