Reno, Sparks, and Washoe County Parks

[Reno, December 2014] - Reno, Sparks, and Washoe County Parks on One List!

Our community has come together with hundreds of hours of volunteer work and personal expertise to create one list with our region's parks and park amenities. This spreadsheet may be used by organizations and creatives to dynamically map our parks or come up with other creative uses.

Reno Sparks Neighborhoods

Jazfry LLC dba Reno Sparks Neighborhoods - Reno, Sparks, Carson City, and Washoe County are exploring what it means to engage neighborhoods. While the official channels, neighborhood teams, and government meetings adapt to the new economy, we are here to volunteer, help each other develop professionally, and help people connect to get things done.
